Paris - details to follow

Exhibition overview

The European Association for Endoscopic Surgery (EAES) was founded in 1990. It continues to play a leading role in endoscopic surgery and allied interventional techniques. In addition to organizing annual congresses in different European countries, the EAES is also involved in education, training, research, development, and publishing.

Surgical Endoscopy is the EAES official journal. It is included in the membership subscription and is ranked among the top 10 surgical journals overall irrespective of surgical specialty.

The 2014 World Congress of Endoscopic Surgery will be held in Paris, France in conjunction with the French Association for Endoscopic Surgery.
