Exhibition overview

The European Psychiatric Association is the main association representing psychiatry in Europe, with members in 81 countries and 36 National Society/Association Members who represent over 77,000 European psychiatrists.

The 23rd European Congress of Psychiatry (EPA 2015) will facilitate learning, discussion, and exchange among psychiatrists in Europe and around the globe. Guided by the motto "Excellence in Psychiatry across Europe: Practice, Education, Research," EPA 2015 aims to showcase the top research and developments in European psychiatry, while providing many opportunities for networking.
