Exhibition overview

The 24th European Congress of Psychiatry (EPA 2016), will be a major meeting of international psychiatrists dedicated to promoting European psychiatry and to improving mental health around the globe.

Guided by the motto Towards a Common Language in European Psychiatry, a top-notch scientific programme is being prepared, that will cover the newest achievements in the field covering basic, clinical and translational research, and their application to evidence-based practice in diagnosis, treatment and education.

Through a variety of session types, including Plenary Lectures, EPA Academia Educational courses and a dedicated European Early Career Psychiatrists Programme, EPA 2016 will meet the needs of all participants, from trainees in psychiatry to the most esteemed experts.

Exhibition details

Further details about the scientific programme are available on the [website](#).
