Exhibition overview

The AMEE annual conference is now established as the key meeting for all involved in medical and healthcare professions education including teachers, educationists, researchers, administrators and students. The conference provides an opportunity to network with others with similar interests, to hear and discuss the views of acknowledged experts, to take part in workshops and courses and to present your own work through a short communication or poster. AMEE conferences are held in late August/mid September on a wide range of topical issues in medical and health care professions education.
