Exhibition overview

VeniceArrhythmias - the International Workshop on Cardiac Arrhythmias - is a biannual meeting that will take place in Venice, Italy in 2013. In its 13th year, the workshop has become one of the most important congresses in the field of arrhythmology with almost 3000 attendees and with more than 400 invited speakers. The meeting is organised with the close cooperation of the main scientific societies in the field of cardiac electrophysiology and pacing - like HRS and EHRA - whose representatives will provide multidisciplinary sessions on the most updated and controversial topics.
