Exhibition overview

The British Association for Behavioural and Cognitive Psychotherapies (BABCP) is a multi-disciplinary interest group for people involved in the practice and theory of behavioural and cognitive psychotherapy.. BABCP has over 9,500 members. Its aims are to:

Promote the development of the theory and practice of Behavioural and Cognitive Psychotherapies in all applicable settings in accordance with the Standards of Conduct Performance and Ethics.

Provide a forum for discussion of matters relevant to Behavioural & Cognitive Psychotherapies among members of all helping professions.

Disseminate information about, set standards for and provide training in Behavioural and Cognitive Psychotherapies among members of all helping professions.

Maintain standards for practitioners of Behavioural & Cognitive Psychotherapy by providing the opportunity for members who meet minimum criteria to become Accredited.

Represent the interests of behavioural and cognitive psychotherapists through liaison with public and professional bodies and other world-wide organisations with similar aims.

Publish and circulate an academic Journal, Newsletter and other publications aimed at disseminating research and information about the applications of Behavioural and Cognitive Psychotherapies.

Facilitate the formation of Geographical and Interest Groups in order to provide a local and special interest service to members
