Exhibition overview

Founded in 1937, the British Society of Gastroenterology (BSG) is an organisation focused on the promotion of gastroenterology within the United Kingdom. It has over three thousand members drawn from the ranks of physicians, surgeons, pathologists, radiologists, scientists, nurses, dietitians, and others interested in the field.

"Gut", the Society's scientific journal is Europe's highest ranked, by citation-related impact factor. The Society regularly produces guidelines on aspects of contemporary practice.

The BSG runs an annual scientific meeting at which many hundred original papers are presented to audiences approaching 2600 professionals. In 2014, the meeting will take place in Manchester.
