Exhibition overview

The 2nd Digestive Disorders Federation meeting will consist of five Societies and Associations who have come together in a combined conference to replace their Annual Meetings for 2015:

The Association of Coloproctology of Great Britain & Ireland (ACPGBI)
Association of Upper Gastrointestinal Surgeons (AUGIS)
British Association for Parenteral and Enteral Nutrition (BAPEN)
British Association for the Study of the Liver (BASL)
British Society of Gastroenterology (BSG)

Exhibition details

Scientific Programme

The first day will include multidisciplinary training and an education day. The main scientific programme (days 2-4) will consist of clinical and translational research symposia, clinical updates, state of the art lectures, moderated poster rounds covering topics in surgical and medical gastroenterology and hepatology.

The full programme can be seen at: www.ddf2015.org.uk/scientific-programme
