## Exhibition overview

36th World Congress of the ISH which will be hosted by the BSH at the 56th Annual Scientific Meeting which will be held at the Scottish Exhibition and Conference centre in Glasgow from the 18th to the 21st of April in 2016.

Although the meeting will show-case the cutting edge of haematology, with many international speakers, there will be an underlying theme of Haematology in Practice with sessions dealing specifically with developing world haematology emphasising the international flavour.

The programme will cover a wide range of laboratory and clinical haematology issues utilising the experience of a Scientific Committee drawn from both Societies.
