## Exhibition overview

The World Congress on Controversies in Neurology (CONy) is held annually to discuss controversial issues related to the field of Neurology. CONy functions as an exclusive forum for international experts to share and compare experiences in order to outline appropriate treatment. Focus is placed primarily on debates within the fields of Multiple Sclerosis, Stroke, Parkinson's disease, Dementia, Headache & Pain, Epilepsy and many more. Each section is developed by key professionals to address relevant and challenging issues facing neurologists each year.
