Exhibition overview

The EACTS Annual Meeting is the largest cardio-thoracic meeting in the world focusing on scientific developments and research in the following specialities: Acquired Cardiac Disease, Congenital Heart Disease, Vascular Disease and Thoracic Disease. Now in its 29th year, the 2015 Annual Meeting will be in Amsterdam.

Exhibition details

The 29th EACTS Annual Meeting will concentrate on scientific exchanges in Cardiac and Thoracic Surgery and will be presented in oral and video sessions, in addition to 'hands-on' demonstrations of heart specimens.

In conjunction with the Scientific Meeting, EACTS will host an exhibition for industry partners. Companies will present the latest in cardiac, thoracic and vascular therapies, technologies and related services in an educational exhibition area.
