Exhibition overview

The Annual EAU Congress is Europe's largest urological event with specialists and affiliated medical professionals gathering for a critical assessment of clinical practices and key research developments.

The Congress presents the latest in science and education in various formats to suit the needs of all participants, including challenging state-of-the art lectures, fascinating HD video surgery sessions, skill-boosting hands-on trainings and practice-oriented courses. Now in its fourth decade of providing a comprehensive and effective platform for urological specialists from around the world.
