## Exhibition overview

EAWOP 2017 will attract top researchers and experts from different fields of work and organizational psychology and keynote speakers, to share their experience and research.

The major focus of the congress will be on 'Enabling Change through Work and Organizational Psychology' and opportunities and practices to meet the needs of businesses and organizations to allow them to maximize their efficiency. The congress program will reflect these themes and highlight new challenges and emerging opportunities for the development of psychology of work and organizations.
