Austria Center Vienna(ACV) Bruno-Kreisky-Platz
1 A-1220 Vienna Austria

Exhibition overview

The European College of Neuropsychopharmacology (ECNP) is a pan-European scientific association which encourages innovative research across the neurosciences and aims to translate new knowledge on fundamental disease mechanisms into new medicines and clinical applications.

As Europe's leading interdisciplinary forum for the science and treatment of disorders of the brain, ECNP promotes the communication and cross- fertilisation of high-quality experimental and clinical research across the field of neuroscience.
