## Exhibition overview

ECE 2016 is set to attract over 2500 participants from all areas of endocrinology and over 90 countries, including clinicians, nurses, basic researchers, fellows and trainees – all experts and key opinion leaders in the field of endocrinology. The ECE 2016 Programme Organising Committee will meet in July 2015 to develop the scientific programme for 2016. The committee will endeavor to build on the 2015 programme, whilst ensuring significant opportunities for delegate exposure amongst our sponsors and exhibitors. This will continue through: Satellite symposia sessions remain at the height of the programme Catering breaks remain within the exhibition hall Posters at the heart of the congress
