Exhibition overview

The EHA Annual Congress provides a forum for presenting original unpublished data and sharing ideas for hematological innovation as well as disseminating evidence-based knowledge of primary clinical relevance.

Hematologists and affiliated professionals attending the EHA Congress will be able to:

- Enhance their knowledge of evidence-based approaches on diagnosis and treatment for hematologic diseases.
- Access the latest results on clinical and translational research in hematologic disorders.
- Be updated on emerging innovative techniques, diagnostic tools and risk-assessment strategies in hematology and its subspecialties.
- Communicate, collaborate and network with representatives of a large international audience – medical professionals, national hematology societies, patient groups, medical industry and the media.
