## Exhibition overview

The 17th Congress of the European Society for Trauma and Emergency Surgery is being organised in cooperation with the Austrian Trauma Society. The motto of the Congress is: "MYTHS AND TRUTHS". Accordingly there will be a straightforward discussion of a wide variety of topics like: The Mangled Extremity, Pelvic Injuries, Leadership in Trauma Management, Prehospital Emergency Services, Blunt Carotid and Vertebral Injuries, and many more.

Specialists from over the world will attend and contribute to share knowledge about prevention, care and rehabilitation of trauma and emergency care patients.
