Meeting

website: <http://www.vascular-course.com/european-vascular-course>

Exhibition address:

MECC Maastricht
Forum 100
6229 GV Maastricht
The Netherlands

Exhibition overview

The main goal of EVC is to provide theoretical and practical education via a high level post-graduate course. The Course offers participants the most recent knowledge on arterial, venous and vascular access subjects via invited lectures, instructive edited videos, master classes and workshops. Furthermore, challenging case discussions are promoted in small groups where views and experience can be exchanged with the experts in the field.
