Exhibition overview

The International Symposium on Intensive Care and Emergency Medicine is organized by the Departments of Intensive Care and Emergency Medicine of Erasme University Hospital, Université Libre de Bruxelles, in association with the Belgian Society of Intensive Care and Emergency Medicine (SIZ). The meeting is held every year in March. Started in 1980, this meeting has become established as one of the largest in its field, now attracting more than 6200 participants (including exhibitors and visitors) from countries worldwide.

The objectives of this four day symposium are to provide participants with an up to date review of the most recent, clinically relevant, developments in research, therapy, and management of the critically ill. The meeting is open to all physicians, nurses and other health professionals with an interest in critical care or emergency medicine.
