## Exhibition overview

The 18th edition of the IMCAS Annual World Congress promises to attract thousands of plastic surgeons, dermatologists and aesthetic doctors to the city of Paris for four days at the end of January. Besides the scientific sessions, doctors also come to find out the newest developments and innovations in terms of products, devices and publications.

In 2015 over 6000 delegates attended and 160 international exhibitors came from all sectors of the aesthetic domain to Paris to present lasers, injectables, cosmeceuticals, implants, threads and more to the attendees. The IMCAS Annual World Congress thus presents a spectacular opportunity to promote your publications with Wisepress.
