Le Palais des Congres de Paris 2 Place de la Porte
Maillot Paris 75017 France

Exhibition overview

Take advantage of the opportunity to be part of one of the largest multi-specialty conferences dedicated to aesthetic medicine in the world.

Join thousands of dermatologists, plastic surgeons and other aesthetic practitioners getting the new year off to a flying start in Paris where, over four days, you will delve into all subjects related to the medical aesthetic field, from surgical procedures and practice management to injection techniques and new devices.

With participants coming from 85 different countries and 200 exhibiting companies from around the world, IMCAS Annual World Congress 2017 offers you a veritable opportunity to update your skills whilst making important connections with international peers and industry representatives.
