Exhibition overview

The International Society of Gynecological Endocrinology is a non-profit organisation established in 1986 for the purpose of promoting science and research into all aspects of gynecological endocrinology and communication between scientists interested in these subjects.

The Society operates through the monthly Journal of Gynecological Endocrinology, the monthly newsletter GynEndo News and the biannual World Congress, a major scientific event which allows a perfect integration of renowned faculty members with talented young scientists presenting innovative research.

In 2014, the Congress will take place in Florence, Italy in March
