**Exhibition address:**

London - details to follow, dates to be confirmed.

## Exhibition overview

PCR is an organisation dedicated to education and information in the field of cardiovascular therapies, most notably for cardiovascular intervention and interventional medicine. Its activities cover a large spectrum, from the organisation of annual courses in Europe, Asia and the Middle East to editing a scientific journal, publishing textbooks as well as providing training seminars on thematic subjects. PCR London Valves is centered on the "heart-team" approach, fully dedicated to the new modalities of valves treatment.
