## Exhibition overview

The European Society of Radiology (ESR) was founded in February 2005 by merging the European Congress of Radiology (ECR) and the European Association of Radiology (EAR), thus establishing a single house of radiology in Europe.

The ECR is one of the largest medical meetings in Europe and the second-largest radiological meeting in the world.

To give you a sense of the scale of the meeting here are the Facts & Figures from the 2015 ECR

- 25,540 Participants
- 5,971 registered ECR Live viewers
- 122 Countries
- 328 Scientific and Educational Sessions
- 2,894 Scientific and Educational Exhibits
- 1,290 Scientific Papers
- 724 Invited Lectures
- Fully Electronic Scientific Exhibition
- 300 exhibitors, including national, international and subspecialty societies
- 26,000m<sup>2</sup> exhibition space
