Exhibition overview

The Congress will have an exciting four-day programme and an extensive trade exhibition. The Congress historically draws over 4 000+ of the world's leading researchers and providers of services, equipment, products and aids for people within the diverse spheres of ophthalmology and related sectors. These participants are not only from Europe but also from the USA and the Middle East and at SOE2015 in Vienna delegates came from 100 different countries.
