Exhibition overview

SICOT, Société Internationale de Chirurgie Orthopédique et de Traumatologie, is an international non-profit association incorporated under Belgian law with the aim to promote the advancement of the science and art of orthopaedics and traumatology at international level in particular for the improvement of patient care, and to foster and develop teaching, research and education. In 2014, SICOT celebrated its 85th anniversary.

The current gatherings of surgeons from 110 member nations and others beside each year are now highly organised scientific, clinical and social events.
