Lyon - details to follow

Exhibition overview

EuroSpine, the Spine Society of Europe, was founded in Austria in 1998. Its aim is to stimulate the exchange of knowledge and ideas in the field of research, prevention and treatment of spine diseases and related problems and to coordinate efforts undertaken in European countries for further development in this field. ESJ, the EuroSpine journal, is the second highest rated spine journal worldwide with an impact factor of 1.96.
