Exhibition overview

From 5-7 October 2016 the leading medical experts in Europe will gather in Lisbon, Portugal, to attend one of the largest and most influential academic conferences and exhibitions on Geriatrics. The experts will focus on the most relevant issues related to the main theme of the Congress, including health care practices, pharmacological and surgical interventions. The Speakers will also focus on new challenges to health and aging, such as new information technologies and innovative medical protocols and practices.
