Exhibition overview

The Vascular Society of Great Britain and Ireland (VSGBI) is the pre-eminent organisation in the country promoting vascular health by supporting and furthering excellence in education, training and scientific research. VSGBI is a charity organisation funded principally by members. It represents and provides professional support for over 600 members, including vascular surgeons, vascular radiologists and others involved in independent vascular practices in Great Britain and Ireland. VSGBI focuses on non cardiac vascular disease, including diseases of peripheral arteries, veins and lymphatic system. Vascular specialists are trained in the diagnosis and management of conditions affecting all parts of the vascular system.
