Exhibition overview

JR and its global affiliates (Australia, China, Europe, India, Japan, Middle East, South America, and Southeast Asia) are coming together to bring you the first-ever World Arthroplasty Congress.

The World Arthroplasty Congress will offer a forum for Orthopaedic Healthcare Professionals from around the globe to convene with the common interest of sharing data and best practices related to arthroplasty. In addition to having an opportunity to interact with peers from around the world about today's pressing issues, this congress will feature an expert faculty consisting of the global leaders in orthopaedics today.
