## Exhibition overview

The 12th International Conference on Alzheimer's and Parkinson's Diseases and related neurological disorders (AD/PDTM 2015) will build on the well-earned reputation of previous AD/PDTM meetings for unraveling the mechanisms and improving the treatment of Alzheimer's, Parkinson's and other related neurodegenerative diseases.

Renowned for its broad, multidisciplinary approach, AD/PDTM 2015 is aimed at clinical investigators and basic scientists, established investigators as well as young upcoming talents.

AD/PDTM 2015 will provide attendees unparalleled and powerful insights into the latest research, developments, and treatments.
