Exhibition overview

The AEPC annual meeting is the only congress specifically dedicated to Paediatric and Congenital Cardiology, which gathers specialists in the field from all over Europe and from around the world. Together with Paediatric Cardiologists, the meeting also attracts Surgeons, Intensivists, Cardiologists involved in the care of adults with congenital heart disease, Psychologists and Nurses, in the programme and in the audience. A multidisciplinary approach to the wide area of Pediatric and Congenital Cardiology offers a highly valuable scientific and educational programme to all professionals taking care of the increasing number of patients with congenital heart disease from fetal life to adulthood.
