Exhibition overview

The European Scoiety of Clinical Microbiology and Infectious Diseases (ESCMID) was founded in 1983. It has become Europe's leading society in clinical microbiology and infectious diseases with members from all European countries and all continents. ESCMID now reaches more than 33'000 members and affiliated members around the world.

ESCMID's yearly congress attracts around 10'000 participants. The 24th European Congress of Clinical Microbiology and Infectious Diseases (ECCMID) will be held in Barcelona, Spain in May 2014. The Programme Committee will prepare a series of keynote lectures, symposia, educational workshops and meet-the-expert sessions on parallel tracks, covering the entire field of infectious diseases and clinical microbiology.
