Exhibition overview

EAN is a new Society formed by the coming together of the EFNS (European Federation of Neurological Societies) and ENS (European Neurological Society), and thereby the first united voice of European Neurology. This founding act was celebrated on June 3rd, 2014 at the Joint Congress of European Neurology in Istanbul. The first congress of this new Society will be celebrated in the united Berlin.

The EAN Congress in Berlin will provide the ideal platform for continuing education in all fields of neurology, covering a broad spectrum of topics with state-of-the-art lectures by renowned experts. The EAN is dedicated to providing the highest quality of continuing medical education and to opening professional education opportunities.
