Reed Messe Vienna

Messeplatz 1

1020 Vienna

Austria

Exhibition overview

The EHA Annual Congress provides a forum for presenting original unpublished data and sharing ideas for hematological innovation as well as disseminating evidence-based knowledge of primary clinical relevance.

Hematologists and affiliated professionals attending the EHA Congress will be able to:

Enhance their knowledge of evidence-based approaches on diagnosis and treatment for hematologic diseases.

Access the latest results on clinical and translational research in hematologic disorders.

Be updated on emerging innovative techniques, diagnostic tools and risk-assessment strategies in hematology and its subspecialties. Communicate, collaborate and network with representatives of a large international audience medical professionals, national hematology societies, patient groups, medical industry and the media.
