Exhibition overview

Euroanaesthesia is Europe's largest annual event showcasing the latest and the most relevant knowledge with medical experts active in the field of anaesthesia, perioperative medicine, intensive care, emergency medicine and pain treatment.

This international event gathers thousands of delegates from all over the world and exhibitors from over 80 countries.

The scientific programme of Euroanaesthesia offers a comprehensive coverage of anaesthesiology and all its subspecialties, providing delegates with infinite opportunities for professional development. The world's leading experts present their findings and insights during state-of-the art lectures, debates, presentations and courses.
