Exhibition overview

The British Society of Paediatric Dentistry (BSPD) is hosting the 25th Congress of the International Association of Paediatric Dentistry in 2015. This marks a significant anniversary in the history of IAPD. The BSPD has a thriving membership of almost 600, including several renowned paediatric dentists. It has a long tradition of hosting successful national and international meetings, including the 1999 IAPD Congress in London.

Exhibition details

The overall scientific theme 'The Voice of the Child' has been chosen to advocate the changing position of children in our world. Delegates will be updated regarding current social theory and policy relating to childhood, the need for safeguarding, and how to engage child-centred approaches within clinical practice and oral health-related research.
