## Exhibition overview

The International Conference on Eating Disorders is hosted by Beat, a national charity based in the UK. Beat provides information, help and support to people affected by eating disorders.

## Beat's vision is that eating disorders will be beaten

### Beat's aims are:

To change the way everyone thinks and talks about eating disorders

To improve the way services and treatment are provided

And to help anyone believe that their eating disorder can be beaten

## Exhibition details

The three day conference comprises of keynote and plenary sessions, workshops, posters, scientific paper sessions and networking opportunities. Programme topics currently include:

Severe and enduring eating disorders

Brain processes in eating disorders

Classification of eating disorders

Ethical issues arising in the treatment of eating disorders

Eating disorders in males Attachment theory and eating disorders

Eating disorders in pregnancy and motherhood
