Exhibition overview

The Symposium is organized by the department of Intensive Care Emergency Medicine of Erasme University Hospital, Universit Libre de Bruxelles, in association with the Belgian Society of Intensive Care Medicine (SIZ). The meeting is held every year in March. Started in 1980, this meeting has become established as one of the largest in its field, now attracting more than 6200 participants from countries worldwide.

The objectives of this four day Symposium are to provide participants with an up to date review of the most recent, clinically relevant, developments in research, therapy, and management of the critically ill.

The meeting is open to all physicians, nurses and other health professionals with an interest in critical care or emergency medicine.

Exhibition details

The scientific programme is not available at the time of writing (22 October 2014) but the 2014 programme is available on the Symposium website and should give you a good sense of the topics covered and the format.
