Exhibition overview

Established in 1986, the European Association for the Study of Obesity (EASO) is a federation of professional membership associations from 32 European countries. It is the voice of the European obesity community, representing scientists, health care practitioners, physicians, public health experts and patients. EASO is in official relations with the World Health Organisation (WHO) Regional Office for Europe and is a founding member of the EU Platform on Diet, Physical Activity and Health.

Details about the scientific programme for the 2017 congress will be available shortly.
