Exhibition address:

Barcelona

Exhibition overview

The 7th 5CC meeting will cover all the many facets of the aesthetic environment. This will include the world of injectables fillers and toxins; all of the energy based devices that are impacting non-invasive treatments; skin care and how it impacts therapies; chemical peels and what is new; home devices and what can be expected in the coming year; and marketing, the internet, and how this environment is changing the way business is done.
