Exhibition overview

LINC is a live international course dedicated to advancing the scientific and clinical evaluation and treatment of patients with complex vascular disease. LINC is truly interdisciplinary bringing together colleagues of different specialties who are performing endovascular interventions.

The Course has been growing each year and in 2015 was attended by 4837 delegates from 70 countries. 48% of the delegates were Vascular Surgeons, 27% Interventional Radiologists and 25% Angiologists/Cardiologists.

Exhibition details

The deadline for the submission of Abstracts for the 2016 programme is 30 October 2015. The scientific programme will be available on the LINC [website](#) shortly after this date.
