

International Neuropsychological Society Mid-Year Meeting

6 - 8 July 2016, London, UNITED KINGDOM

Anticipated attendance: 800 delegates

Exhibition address:

Conference code: NPSY16

Meeting

website: <http://www.kc-jones.co.uk/ins2016>

Exhibition overview

The main theme of the meeting is "From Neurons to Neurorehabilitation" with the aim of spanning cognitive neuroscience and neuropsychology and integrating recent developments in neuropsychological rehabilitation. The conference will incorporate experimental approaches to neuropsychology and clinical neuropsychology, including assessment and rehabilitation. It is aimed not just at neuropsychologists but a range of other disciplines, for example, neurology, psychiatry, clinical psychologists, occupational therapists and speech therapists.
