Exhibition overview

EHRA EUORPACE-CARDIOSTIM 2015 has a top quality Scientific Programme with four days of scientific sessions. The Congress Programme Committee has agreed on a broad topic list to be presented at the congress. The programme will feature new research discoveries, opportunities to learn from world renowned experts and discussions with colleagues and peers.

The congress will be a truly international event; we expect to welcome over 5000 healthcare professionals from over 100 countries. We also have an international faculty who are leading experts in their fields. Gain valuable insight from these prominent professionals from experienced institutions.
