Exhibition overview

The European Society of Pathology is a leading force in European pathology. Its primary aim is the promotion of high quality diagnostic practice, applied and translational research and under- and postgraduate education in the field of human pathology. This is achieved through its congresses, its journal *Virchows Archiv*, its European School of Pathology and its quality assurance projects in diagnostic molecular pathology.

In 2014, the European Congress of Pathology (ECP 2014) will take place in August/September in London (UK)
