Delegate profile: ECR attendees span all areas of the radiology arena including: radiology professionals, radiographers, physicists, industry representatives, and press reporters for both the medical and consumer press.

Conference code: RADI22

Meeting website:www.myesr.org/congress

Exhibition address:

Vienna

Exhibition details

The European Congress of Radiology is an international meeting and one of the leading events in radiology. ECR 2022 will take a multidisciplinary approach to radiology in 2022. Focussing not only on radiology's many subspecialities, but also exploring medical disciplines outside of the ECR's traditional scope.
