Exhibition overview

RCN Annual Congress is a unique event for everyone in the nursing community; thousands of nurses, midwives, health care assistants and nursing students come together at Congress to debate key issues, hear about latest practice, and take action on hot topics. The exhibition is an integral part of Congress and greatly adds to a delegate's overall experience of the event.

It is the largest and most prestigious nursing congress to take place in the UK each year.

Exhibition details

The main areas of nursing practice represented at the Congress are listed below with the number of delegates from each, based on 2014 attendance figures:
