Exhibition overview

UKRC is a co-hosted annual event organised on behalf of three organisations:

British Institute of Radiology, the Society and College of Radiographer and the Institute of Physics and Engineering in Medicine.

It is an annual event and consists of a three-day multidisciplinary scientific conference and technical exhibition which run simultaneously in one location. UKRC is aimed at all those involved in the field of radiological science and attracts between 3,000-4,000 people a year.
