Meeting

website: <http://www.cxvascular.com/#cxsymposium>

Exhibition address:

Grand Hall

Olympia

Hammersmith Road

London W14 8UX

Exhibition overview

The Annual Charing Cross Symposium now attracts an audience of over 4,000 vascular surgeons, radiologists, cardiologists and allied medical professionals from all over Europe and further afield.

The Symposium raises vascular and endovascular controversies so that a world-class faculty challenges the available evidence in order to reach a consensus after discussion with an expert audience. This forms a three-year cycle. Consensus will be discussed in 2017.
